The 'Sprint Backlog Items' column contains several cards related to user sign-up, car search, and admin functionality. The 'To Do' column includes a card for a 'Frontend Design UI' due on March 4. The 'Doing' column has a card for 'Backend Admin API Design' due on March 4. The 'Testing' and 'Await Confirmation' columns are currently empty.

In this screenshot, two new cards have been added to the 'To Do' column: 'Quality Review Meeting' due on March 29 and 'Quality Meeting plan' due on March 22. The rest of the board structure remains the same as in the previous screenshot.
